

Vaportites Sizing Form

Instructions for Specifying Product:

1. Remove the light cover from the fixture housing.
2. Measure the cover to the nearest 1/16" of an inch and note the dimensions on the drawing below.
3. Specify the material, quantity, and location in the facility. Note: Some replacement hardware may be available, ask your local sales office for more information.
4. Fax this form to your nearest Malcolite regional sales office.
